To

The Registrar of Cooperative Societies in Mysore,
B a n g a l o r e .

Sir,

I have the honour to forward herewith a site plan showing the position of the proposed Cooperative Society at Magadi. The site now chosen is given to the Society on condition that a building of only one floor will be built by the Society and in case any necessity for its extension is felt at any future time, this building should be handed over to the Education Department and the Society shifted to some other convenient site on the opposite side.

I have accordingly revised the original plan and send you a copy of the modified plan herewith.

The original tracings given to me are also returned.

A line in acknowledgment is requested.
